**PRINCIPAL’S REPORT**

Welcome to the last Lalor Secondary College Eagle being distributed to families in hard copy form. From the beginning of next term, the newsletter will be available online and can be accessed at the Lalor Secondary Website or on Compass. If you would prefer to continue to receive your newsletter in hard copy form, please ask your son or daughter to collect a form for this from the General Office.

Please complete the form and return it to the office by the end of Term Three so that the hard copy newsletter will be provided to you from the beginning of Term Four.

In the last newsletter, I mentioned that the Deputy Premier and Minister for Education, James Merlino, had visited the school to speak at our annual Regional Schools Constitutional Convention.

The Minister also toured the school and was able to gain an insight into the current facilities at Lalor Secondary College, and a clear idea of what we would like our school to look like in the future.

The Minister was presented with a copy of our Masterplan – our building plan for the future – which was launched at our 50th Birthday Celebrations in 2013. He was impressed with our vision for the future direction of the school.

As you would all be very aware, funding for schools is limited and the government has to prioritize annual spending very carefully. The Minister’s visit has raised his awareness of the particular needs at Lalor, and having a copy of our Masterplan on his desk, may hopefully make our wait in the school funding queue, a little shorter.

As you would have seen on the calendar above, the second Parent-Teacher Conference Day for the year will take place on the Thursday of the last week of this term, Thursday 17th September.

The day will be divided into two sessions: the first from 1.00 – 4.00 p.m., and the second from 5.00 – 8.00 p.m.

You will be able to make your own appointments with the relevant teacher using Compass. The system will open on Wednesday 9th September. Please collect Student Progress Reports from the Library foyer prior to your interviews with teachers. A letter outlining access procedures will be mailed to all families early next week. We would like to see as many parents as possible attending interviews on this day. This is the ideal way to not only gain insight into the academic progress on your child, but also to discuss areas for improvement as we go into Term 4.

**REMINDER**

**Tuesday 8th September is Curriculum Day.**  
**Students are not required to attend school on Curriculum Day.**
ASSISTANT PRINCIPALS’ REPORTS

YEAR 7 VACCINATIONS
On Friday September 11th, Year 7 will be administered their Chicken pox vaccine. Parents need to ensure that they have read the information and signed the consent form. This must be returned to the front office prior to the date, otherwise your child will not receive the vaccine. Consent forms must be returned to the school even if the vaccine is not required.

Acting Assistant Principal Years 7 & 8

YEAR 10
Last Saturday evening we held LSC annual Year 10 Formal at Normanby House.

I wanted to take this opportunity to thank Ms Annette Spence for her organisation of the night. It was truly fabulous, this being my first Year 10 formal at LSC I was most impressed by all the students, who looked wonderful and were impeccably behaved and at several points in the night managed to ensure that everyone, including staff, were on the dance floor. The DJ remarked on a couple of occasions that our students were the best he had come across.

A huge amount of time and energy went into guaranteeing that the night would be a success and I know that Ms Spence had assistance from the Year 10 Formal Committee members who worked hard preparing table decorations and seating groups. These students were:

Lexi Anastasiadis
April Cavanagh
Angela David
Serena Golikidis
Awaz Ismael
Christine Lam
Nour Moussa
Danica Vun
Christina Velevska

I also wanted to thank Mr Tony Wilkinson who supported Ms Spence in her organisation, and Mrs Robyn Edwards, Mr Peter Leos, Ms Jo Germantsis, Ms Sara Tacey, Mr Alan Cahill, Ms Amanda Dipasquantonio, and Ms Rebecca Avramoski for being present on the night. Be sure to see the photos in the next edition of the Newsletter.

MELBOURNE UNIVERSITY KWONG LEE DOW YOUNG SCHOLARS PROGRAM 2016
Every year at Lalor Secondary College two Year 10 students are selected as our Kwong Lee Dow Young Scholars. These students are given the opportunity to access the University of Melbourne resources, academics and events at the Parkville Campus over the course of Years 11 & 12, and are able to undertake tertiary studies at the University following the successful completion of Year 12, and upon meeting the University’s criteria. Applications for current Year 10 students close on October 12. Anyone wishing to apply is asked to view the University’s website in the first instance at: futurestudents.unimelb.edu.au/kld and can also see Ms. Spence in Room 413.

YEAR 9
On Monday morning I said farewell to the Year 9 students who were heading off to the Gold Coast for the week. The Itinerary included visits to Movie World, Wet and Wild, Sea World and Tambourine Mountain where they enjoyed a Treetop Challenge. Ms Salerno, Mr Magnano, Mr. Danher, Ms Christian, Ms Napier and Ms Graetsch attended the camp to support the students and ensure that all had a wonderful time. I wish to thank the staff for so willingly offering to take the time to accompany our students and in particular thank M. Salerno and Mr Magnano for their organization of the flights, venues and all activities.

Students who didn’t attend the camp participated in an alternate program here at school, which had them visiting the Preston Market, St George’s Restaurant and cooking up a storm in Food Technology. I also want to convey a thank you to Mrs Edwards for her organization of the program and to the staff who ran these activities.

Finally I wanted to remind parents of the parent teacher conferences to be held on September the 17. I am very much looking forward to seeing you all there.

As we get close to the end of Term 3 the pressure within both levels of the senior school increases with numerous assessment tasks due, preparation for exams underway and one eye on completing what is a very demanding year. I encourage all senior students, especially the Year 12 students to make decisions based around committing their time to finishing off this term strongly and setting up a finish to the year that gives them the most choices when they finish their schooling.
