

Principal Report

On Friday the 17th of December we welcomed our 2018 Year 7 students for the first time as an entire group. They were here to take part in the testing day that had student's complete tests for Numeracy, Literacy and abstract reasoning and is part of our Year 7 transition program. These tests will be used to assist in the process of allocating students to Home Groups for the following year, and allow our school to prepare targeted support and extension for those students identified through the testing.

We look forward to having our 2018 Year 7 cohort into the school on several more occasions prior to the end of the year, with the Year 7 Information Evening to be held this week on the Thursday the 23rd of November and the Year 7 Orientation Day to be held on Tuesday the 12th of December.

The school was fortunate to receive a grant in 2016 that saw the installation of a new shade sail area (pictured below) at the beginning of this year. During terms two and three the school ran a competition for students to design what should be included in the space beneath the shade sail. There were several entries from a range of groups from different year levels, however, the best design was submitted by a group of students in Year 8. These students are Zyrille De Leon (8A), Kim Ly (8A), Katarina Kekez (8C), Jessica Baker (8A), Bhagveer Kaur (8C) & Christina Pici (8A). I look forward to working with these students on developing a plan for what will be an area used by all students for learning, relaxing and performing. And, I thank all of the students who submitted entries to the competition and wish them luck for the next activity they get involved in.

If you have any questions about the above information please contact me at your earliest convenience.

Mr Corey Jewell

College Principal

Years 12 and 11

At the time of writing, Year 11s are completing their end of semester exams. At the completion of these exams there will be an exam feedback day for all Year 11 students which is a valuable opportunity for students to look for areas to improve upon and a chance to set goals for achievement in 2018. Year 11s will then have a Year 12 Orientation program that starts their coursework for next year. All students will be given course outlines, holiday homework and a clear indication of the expectations of them in Year 12. All students in Years 11 and 12 need to use the time you have over holidays well to ensure preparedness for the year ahead. All holiday homework is designed to give students a head start on their coursework and the expectation is that this is all completed to the best of all students' ability.

I remind all year 11s to ensure that the pay now for the study camp that will happen on the first 3 days of 2018. The study camp is a compulsory activity that counts towards attendance. The camp has been specifically designed to maximise student preparedness for VCE success and will offer a range of opportunities for students to undertake specialist workshops, wellbeing activities and have one on one time with their teachers.

All year 12s will officially finish their exams on Wednesday 22nd of November, we've had many students continue to use the study centre as they prepare for exams and I'd like to thank all staff who have supported our Year 12s through this exam period. The Year 12 Formal will be on Friday 24th November, we are looking forward to celebrating with the students!

Finally, the SRC has had its last Whittlesea SRC Cluster meeting for the year which focused on planning for 2018. We intend to continue our partnership with Base-line and look forward to bringing many new things to the students at Lalor Secondary in 2018!

Ms. Julie Ryan

Assistant Principal

Years 10 and 9

The next couple of weeks will be a busy time for our students in years 9 and 10, as we approach the culmination of semester two assessment tasks. As always at LSC, it is important that students embrace all learning opportunities seriously and to work efficiently to prepare for their exams and complete responses to the best of their ability. Exams form one aspect of student assessment for this semester however more importantly they also provide valuable practice in developing and building exam techniques in preparation for the senior years of schooling. Through these exams, students begin to refine their time management skills and continue to develop skills of working under exam conditions. Even though students have been preparing for the exams in class it is essential that they prepare for these exams at home with effective revision. Year 9 students will also be finishing off assessment tasks for their other subjects as well as completing class work and homework activities in readiness for the end of semester. Please encourage your child by asking about their progress and the work that they are currently completing. This partnership between home and school is a vital one and goes a long way in ensuring successful outcomes for your child. As always, please feel free to email individual class teachers and to regularly check Compass to monitor their progress.

Students were given their exam timetables this week so please check in with your child to ensure they are aware of arrangements. These are also available on Compass.

It is important for all students to approach these exams with adequate preparation and a positive attitude to do their best. Wishing all students in years 9 and 10 the best in their coming exams.

An Orientation Program will follow the year 10 examination period. This program allows students to obtain a head start to their studies. In all of their subjects they will be provided with course timelines, and begin preparatory course work to allow for a successful start to the academic year in 2018. They will also be allocated some holiday homework.

Finally a reminder for all current year 9 students who are wishing to apply for one of the senior School Scholarships that all applications are returned to the general Office by Friday December 1st.

Ms. Laura Forster

Assistant Principal

Year 11 Debutante Ball

At the end of last term several of the Year 11 students participated in the Debutante Ball. The evening went exceptionally well with many family and friends of the students attending the evening. Andrew Giles the Federal MP for Scullen, Bronwyn Halfpenny the Member for Thomastown and Mayor Ricky Kirkham graced us with their presence on the evening and acted as our special guests alongside Mr Jewell. The night went incredibly well with everyone enjoying themselves. All the afternoons of practice dancing paid off as the debutante and partners did a fabulous job.

A big thank-you to Ms Jovanka Jovcevski and Ms Ferns for all their hard work in getting the ball ready and thanks to all the staff who turned up on the night to support the students involved. Hopefully next year goes as well!

Girls Cricket

On the 24th of October 11 of the Year 7 girls headed out to participate in the Girls Cricket Team. The girls tried hard and enjoyed the format of the day. The girls played 5 games during the day in a round robin competition. Having gone straight through to the district competition the other schools had more experience and the girls tried valiantly. It was a mighty effort and the girls had fun and supported each other.

They are keen to come back stronger for next year!

Ms. Norman

MUSIC MUSE

Live Music performances celebrating Arts Week

Music from a variety of performing students in a variety of performance spaces filled the air waves during the Arts Week festivities. Student audiences were very supportive and proud of their colleagues achievements. Outside the new digital audio suite in 500, we were entertained by a Year 7 trio, featuring Lina Nguyun, Ricky Likisone and Hassan Youssef; 2 Year 8 Bands featuring Eleni Dimanopoulou, Tuba Karademir, Pierce Musso, Kaulyn Muna, Thanh Hieu, Jason Loli-loane, and Notis Karadakis; a Year 11 duo with Paul Alibrio and Conrad Constantinou. We had several guitar ensembles and soloists performing in the Digital Audio Suite in 500 and Singers and Keyboard Players in the Keyboard Lab in 501 and pianists rotating on our new Piano in 502. A big shout out and congratulations to all students involved. We are very proud of you. A special thanks to teachers supporting with supervision on the day too.

CD Recording is Occurring all next week

The time has arrived for the Music Departments scheduled recording of our first CD to capture our talented diverse student performances next week between Monday 20th November and Friday 24th November. This will be done in house with our new digital recording studio in the music faculty for a CD Concert Launch for Thursday 30th November 2017 in the Drama Centre.

New VCE results and ATAR app

As year 12 students are finishing up their end of year exams and await their results I would like to congratulate you all on your achievements thus far. All year 12 students will now have received a letter from me with change of preference information and the offers process.

VTAC and the VCAA have collaborated to produce an app for **VCE students** to access their study scores and ATAR on a smartphone or tablet. The free app is available for download from the Apple App Store or Google Play. Search for 'VCE Results and ATAR'. You can install the app now, but 2017 results and ATAR won't be available until 7.00 am Friday 15 December 2017.

Any student undertaking a unit 3 and 4 subject can access their results and ATAR, a student will need their **VCE student number** and Results Service PIN. The results service PIN is set to a personalised default combination and students are strongly encouraged to change it well before 15 December.

Visit resultsandatar.vic.edu.au to do this.

In addition to student results, version 1 of the app provides answers to frequently asked questions about results, and information about how to contact the Post Results and ATAR Service (PRAS), VCAA, and VTAC.

Note: Only 2017 results are available on this service.

For information about other methods of accessing results, please refer to the VCAA or VTAC websites.

Best of luck to Year 12s but don't forget that your ATAR result isn't the only pathway to achieving your dreams.

Ms Chantry

Careers and Transition

The screenshot shows the login screen of the 'VCE RESULTS AND ATAR 2017' app. At the top, there is a blue header with a menu icon and the text 'Log in'. Below the header are three logos: the Victorian Curriculum and Assessment Authority (VCAA), the State of Victoria, and VTAC. The main heading is 'VCE RESULTS AND ATAR 2017'. Below this, it says 'Login to view your results' and 'Please enter your VCAA Student Number and Results Service PIN'. There are two input fields: 'Student Number' with the example 'e.g. 14123917W' and 'Results Service PIN'. At the bottom, there is a blue button labeled 'LOGIN »'.

The poster for Thomastown Summer Market features a green and pink color scheme with tropical foliage. The title 'THOMASTOWN Summer Market' is prominently displayed. The event details are: 'saturday 9th of December' and '267 settlement rd'. A pink-bordered box lists 'live music', 'stalls', 'food', and 'prizes'.

This Summer, The Zenith Network Presents the:

'Thomastown Summer Market'.

After the success of our first event the 'Thomastown Wellness market' we have decided to go even bigger and better than the first. We will have double the stallholders, live music acts throughout the day, face painting for the kids, live cooking and a number of prizes and giveaways throughout the day.

Lock in the date and stay tuned as we name the exciting acts who will be presenting and the quality stallholders that will be featured in the market. It's time to put Thomastown on the map, it's no longer just an industrial suburb, it's carving out it's own identity and we are excited to be part of that.

FREE ENTRY – 8.30am to 2.30pm

CSEF FINANCIAL ASSISTANCE

INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

To be eligible for the fund, a parent or legal guardian of a student attending a registered Government or non-government Victorian primary or secondary school must:

- on the first day of Term one, or
- on the first day of Term two
 - be an eligible beneficiary within the meaning of the State Concessions Act 2004, that is, be the holder of a Veterans Affairs Gold Card or be an eligible Centrelink Health Care Card (HCC) or Pensioner Concession Card (PCC) holder, or
 - be a temporary foster parent, and Submit an application to the school by the due date.

Parents who receive a Carer Allowance on behalf of a child, or any other benefit or allowance not income tested by Centrelink, are not eligible for the CSEF unless they also comply with one of (a) or (b) above.

It should be noted that a Special Consideration category also exists.

The annual CSEF amount per student is \$225 for secondary school students.

2018 CSEF APPLICATION NEWS

If your child received CSEF funding in 2017 no new application form will need to be completed for 2018.

All 2017 CSEF recipients will be rolled over as part of the new process.

If you are currently not sure about your application status please contact the General Office for confirmation.

All families who did not hold a Health Care/Pension Card in 2017 and have since received one, you will be required to complete the forms for 2018

Note from Canteen:

Canteen will be **CLOSED** from Tuesday 12th of December 2017.

Will reopen first day of Term 2018.

Second -hand Book Sale

Thursday 7 December, Senior Study Centre

There is the opportunity to sell books used by Lalor Secondary College students in 2017 and buy secondhand books for 2018 on Thursday 7 December 2017.

Books can be submitted for sale at the Senior Study Centre between 10am and 1pm. Books can be purchased in the Senior Study Centre from 3.10pm to 5pm.

If you are wishing to sell books, you will have to complete a docket for each book and submit each with the books on the day. You will also have to complete a form that outlines how you would like to receive the payment for your sold books. These forms are available on Compass for you to print and fill out.

Campion Education will purchase books for 33% of their new sale price and sell them for 66% of their new sale price. Please see the list in this newsletter for books that can be sold and books that will be available for purchase on the day.

Please note that if you are intending to sell the Oxford texts for Years 7-10, all four texts (Maths, English, Science and Humanities) must be submitted together and must all be in good condition. For those of you purchasing these texts, you can purchase the bundle. The online access codes inside the front cover of each book can be used by the purchaser.

Books that are submitted for sale, but are not sold on Thursday 7 December MUST be collected from the General Office by Friday 15 December. If they are not collected by that date, they will be donated to the College.

We look forward to you taking up this opportunity to sell unneeded books and pick up some quality second hand books for the coming school year.

Ms Kat Carmody
